

Featured Charity: St. Nicholas Home for the Elderly

We would like to introduce our members to St. Nicholas Home for the Elderly, located in Beit Jala. Through the generous donations of our members this is one of the charities the Association is able to support financially.

St. Nicholas Home for the Elderly serves seniors, many of whom do not have any legal representation or surviving family members.

The goal of the Home is to provide food, shelter, medical and social services to their residents with

respect and dignity. They work tirelessly to ensure that each and every individual is given special attention and care. The charge staff works on a volunteer basis.

Funding is needed to continue to improve the quality of life for the residents as well as medical and nursing care. Additionally, the Home would like to add a kitchen, laundry and Day Club room to their facilities.

If you would like to learn more about the St. Nicholas Home for

the Elderly, you can visit their website. Thank you for helping to make it possible to contribute to this wonderful organization.
