Please join us at *Busboys and Poets* to raise funds for the “International Nonviolence Conference: Celebrating Nonviolent Resistance” to be held in Bethlehem, Palestine, December 27-30, 2005.

The conference will bring together activists and scholars from around the world to discuss the past, present, and future of nonviolent resistance, while allowing participants to learn, firsthand, about nonviolent activism in Palestine. Funds raised will subsidize participation from the Global South. This is the first in a series of bi-annual international conferences on nonviolence to be held at a later date in different regions. For more information, please visit our website at www.celebratingnv.org.

Busboys and Poets is Washington's newest gathering place, with a restaurant, bar, coffee house, and bookstore.
