Dr. Edgard A. Hazbun
Board Member
Bethlehem Association

Dear Dr. Hazbun:

With great pleasure I received your letter, where you manifest solidarity and pride for my family and me, on my Presidential victory in the past March elections.

I wish to express that throughout my life, I have always kept in mind where I come from, my origins, which in this case as you well know, traces back to the Holy Lands of Bethlehem. In every opportunity that I have, I have always talked about the Holy Land, and I will surely continue to do so.

At the same time, I appreciate the Board of Directors of the Bethlehem Association of El Salvador for having my family and me in mind, in the summoning for activities in El Salvador and in other countries in the world.

It will be my pleasure to share with you all during one of your conventions, when Presidential duties and agenda allow it.

On behalf of my brothers, my family and myself, I wish to thank you infinitely for your kindness and preoccupation, as well as for your kind wishes for my administration as the President of the Republic of El Salvador.

Sincerely,
